Joe: I’ve done a lot of thinking about this whole spirituality thing. Y’know religion. And I just wanna kick the tires around. So here I am. I’m seeking. Free agent looking for the best you have to offer. Now here’s your chance to tell me why I need to be with you.

Voice 1: Name?

Joe: Excuse me?

Voice 1: Please state your name.

Joe: Joe.

Voice 1: Um hum. We’ll have to change that, but we’ll save that for if you make it in.

Joe: Huh?

Voice 1: And what is the nature of our little chat here today?

Joe: I’m seeking a faith. I’m a Faith Seeker, and I was wondering what you had to offer me should I choose you out off all the other “applicants.”

Voice 1: I see. Do you believe that there is a god?

Joe: A what?

Voice 1: A god. A supreme being. Maker of the universe and all that dwells within said universe?

Joe: Yeah?

- Voice 1:** Then congratulations, you're in.
- Joe:** I'm in? I'm in what?
- Voice 1:** In it up to your eyeballs if you don't follow the code.
- Joe:** Code?
- Voice 1:** Yes. You will be handed a copy of it as you leave here today. In it you will find all the information pertaining to, but not exclusively exclusive of, our dietary requirements, feasts/fasts/and festivals, proper attire, and our special vacation plan just to name a few.
- Joe:** You have a vacation package?
- Voice 1:** There's literature as you leave. It's a very active vacation, and everyone has to take one. Or else.
- Joe:** Or else what?
- Voice:** According to your information, you're on a need to know basis, Joe. And you don't need to know. If you follow the code to the letter there will never be a need to worry your pointy head about it, understand?
- Joe:** I guess so.
- Voice 1:** Congratulations, and welcome to the club.
NEXT!
- Joe:** I just need some help.
- Voice 2:** With what, Child of Earth?

- Joe:** I feel like there’s something lacking and I’m seeing what religion can do for me.
- Voice 2:** So how can I be of assistance?
- Joe:** I don’t know.
- Voice 2:** That’s the first step to maturity.
- Joe:** It is?
- Voice 2:** To know one’s weakness is to know one’s strength.
- Joe:** Uh huh. Can you tell me what I have to do to be part of your religion?
- Voice 2:** Well, first off are you a woman?
- Joe:** Woman?
- Voice 2:** Yes, woman, female, a sister of Eve.
- Joe:** No. I’m a man, but I’m cool with getting in touch with my feminine side. So what is it, I have to learn, knitting or something?
- Voice 2:** Of course we do have men in our clusters...
- Joe:** Clusters?
- Voice 2:** We believe in the wholeness and completeness of our Mother Earth, and thus we all spring out of her womb as her fruit.
- Joe:** Gross.
- Voice 2:** And the glorious beauty is found when once you shed your form, or as I’m sure you refer to it as
