- What** Two friends try to top each other with their experiences of knowing Jesus.
Themes: Bible stories, Miracles, Salvation, Jesus, Healing, Restoration, God’s love
- Who** Actor 1
Actor 2
- When** Present
- Wear
(Props)** No props necessary
- Why** John 3:16; Deuteronomy 7:9; 1 John 4:9-11
- How** This skit takes a lot of energy! These stories are told so that the audience can get excited about what Jesus has done. The actors are trying to out-do each other, so they get more excited with each story. As the actor, when you tell a story, it should be as if you’re seeing it happen all over again. Paint a picture with your words. When you reach the end and it becomes present day miracles, keep the same intensity but lower the “excitement” factor so that the audience gets the seriousness of what Christ can do in their lives.
- Time** Approximately 6-8 minutes

Actor 1 and Actor 2 enter and address each other.

Actor 1: Did you see Him?

Actor 2: Oh, I saw Him.

Actor 1: Yeah but did you SEE Him?

Actor 2: Dude, I saw Him. Are you kidding me? He was doing amazing things!

Actor 1: Just the other day, I was out by the city gates. And, you know, there is that guy who begs for money every day. He is blind and he is always seeking a handout. The people walk by and they just ignore him. Some people are mean to him. Others laugh at him. And still others pretend like the guy is not even there. Then, He showed up. He was there. I couldn't believe it! And then He started talking to the blind guy. He stoops down and is having a conversation with the blind guy. I was like what? Why would He talk to this guy? Then the craziest thing happens. (**Actor 1** illustrates Jesus making the mud pie and putting on the blind guy's eyes) He takes some dirt in His hands, then He spits on the dirt. He makes a mud pie. He was MAKING a mud pie! What? Then He takes the mud and puts it on the blind guy's eyes. Then He tells the blind guy to go and wash. The blind guy is like, "Yeah, I think I will. You just put a mud pie on my face." So the blind guy goes and washes. He wipes his eyes and then BOOM. He can see. He can see! He healed the guy with mud. All I know is this guy was blind and now he can see. You can't beat this story man. This was unreal. It was crazy.

Actor 2: Dude, that's nothing! That's nothing. I saw Him over by the cemetery the other day. Why was I at the cemetery? I was in a dark place. Don't judge me. These two demon possessed dudes came out of the cemetery acting all kinds of crazy. They were all naked which is just gross. I was like I don't need this, man. Put some clothes on. I don't need this. One dude's head was all spinning around and he was all like (*demon noise using fingers as horns*). The other dude was just yelling out stuff like in Latin or something (*crazy "demon" noises*). They were walking through the neighborhood acting crazy, slapping and hitting people. Then He came out. He came out, stopped and just stared at those crazies. Just stone cold came out like an old western movie like Clint Eastwood...all (*whistle part from The Good, the Bad, and the Ugly*) ...just staring at the two dudes. Then He starts talking to the demons inside of the two dudes. He was all, "What is your name?" And they were all "Legion." I was freaking out man. I almost wet myself.

Actor 1: Almost?

Actor 2: Shut up. And then He saw some pigs nearby. He told the demons to get out of the two naked dudes into a herd of pigs. Then the pigs were all (*squeal noises*) ...and they ran off the cliff into a lake and drown. Pigs, naked dudes, demons, and pigs...pigs can't swim man...they can't swim. Maybe Babe the pig, but that's it. Dude, that was so awesome! You can't beat this awesome story.

ENDING:

Actor 1: Dude, that's nothing. I saw Him take a group of teenagers who were living all for themselves. He changed their minds and attitudes and now they are living for Him in their community

Actor 2: That's nothing man. I saw Him save a marriage that was in utter shambles, headed for divorce. Changed his heart. Changed her heart. Brought them back together and now their marriage is stronger than ever.

Actor 1: Dude, that's nothing. I saw Him love people so much that He died on the cross for their sins. And He says that whoever believes in Him will have eternal life. And now He lives in the hearts of whoever believes in Him.

Actor 2: Dude, that's something!

Actor 1: Dude, that IS something!
