- What** We often think that because we don't get what we ask for that God hasn't answered our prayers and we start to despair. (Themes: Despair, Prayer, Wants, Will)
- Who** 1 Actor
- When** Present day
- Wear (Props)** 1 potted plant
- Why** Philippians 4:19
- How** This is a great dramatic piece that can be very effective with the right pacing. Be sure not to deliver the words as if they're being read. Everyone in your audience can find themselves in this piece, so be sensitive to that. This can also be used as a reader's theatre or divided among other actors.
- Time** Approximately 2-4 minutes *Note: This script is 1 page long.
