Defending the world from bad drama ... one skit at a time.

Take off the Diaper, Put Down the Bottle

All four **Characters** walk onto stage. **1, 2, and 3** are all obviously wearing diapers and “baby” clothes. (Maybe wear adult underpants for diapers.) **Character 4** is dressed regularly and somewhat embarrassed to be seen with the other three. All are coming out of a movie.

Character 1: What a great movie! (*Takes a swig of bottle*) I love those types of movies. The action, the chicks...

Character 2: The action, the chicks! (*Makes whining noise and points toward Character 1's bottle, as if, “give me a drink.”*
Character 1 gives bottle to Character 2 who takes a swig and with milk drool running down mouth continues to talk) Did you see (*Name of hot movie star*) (S)he was so hot in that outfit! I'm definitely getting this when it comes out on DVD.

Character 4: (*The only one with a clue*) Are you serious? You really liked this movie? I didn't get it at all.

Character 3: That's because you are looking for some “deep meaning” in it, and it was just supposed to be fun.
(*Starts sucking his thumb*)

Character 1: Mindless entertainment.

Character 2: (*Still has drool on his mouth*) Yeah, you know... harmless.

Character 4: I was a little embarrassed with what we saw. For a PG-13, there was some stuff I didn't know I was going to see.

Character 1: (*Laughing and clapping hands like a little kid*) I loved those scenes. They were awesome! (*Picks up bottle and starts to swig*)

Character 3: Remember that one time in the movie (*Talking to 1 and 2*) when they were making out in the car and they hit that old lady?

Take off the Diaper, Put Down the Bottle

Character 1: *(Jumps up and down with glee)* I love that part! I love that part!

Character 2 starts to grunt like he's using the restroom in his diaper.

Character 3: Are you making a poopee? Are you making a poopee?

Character 2: *(Smiles)* All done.

Character 4: Listen to yourselves! That movie was raunchy. I wanted to walk out, and maybe I should have, but I stayed 'cause you stayed. I thought all of us were on the same page with stuff like this.

Character 1: What do you mean?

Character 4: Well, it just seems, not to get all spiritual here, but I thought we all thought the same way when it comes to stuff like this.

Character 2: You mean God stuff?

Character 4: Well, yeah.

Character 3: What does this have to do with God?

Character 4: It has everything to do with it, doesn't it?

Character 2: I don't think so.

Character 3: Doesn't affect me.

Character 1: Have no idea why you would even say such a thing.

Character 4: Look, at you three. We've believed in the same God since we were in Sunday school together, but it's almost like your faith just stopped at a point.

Character 3: Slow down, those are really big words you are using. Speak English to us.
